

infrastructure of tanks, valves, mixing devices and conduits which provide supplies of settable mixture and setting agents or additives to the claimed device. As such, it is respectfully submitted that the supply infrastructure is irrelevant to the searching of the invention recited in the designated claims.

REMARKS

Applicant submits that all the issues raised in the October 3, 2003 Official Action have been addressed. In the event the Examiner finds that there are additional issues that may be resolved by a telephone conference, he is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
